

Am I not supposed to have what
I want, what I need?
What am I supposed to do?

You've been given a gift

Love should never be a secret

Go get 'em, tiger

Sometimes to do what's right we must
be steady and give up the things we
desire the most, even our dreams

I just couldn't see it

Even though sometimes we have to
be steady and give up the thing we
want most, even our dreams

Now... let's see who's behind the
mask

Because you complicate things!

Who am I

It was my dream

We are who we choose to be...
Now choose!
